Customer Reviews

My 7 year old loves this book. He is familiar with the Lord of the Rings series and a fan of Minecraft. This was a way to combine the two in something he could read at his level. He ended up reading this book to his 1st grade, which they all enjoyed.

I really liked The Hobbit and this book was very similar but too short and so many big steps. (ex. it took around 10 pages to get to him getting Sting, in The Hobbit it took much more time) Though I am definitely going to get The Mobbit book 2. I suggest it to: fans of Minecraft and The Hobbit and/or
