Crafty Girl: Slumber Parties: Things To Make And Do

Synopsis

Crafty Girl: Slumber Parties answers the critical question: How to host a slumber party that isn't a snore? Here, complete plans for fourteen fabulous themed fetes offer dozens of dreamy ideas for midnight munchies, hilarious games, clever crafts, fun sleepover flicks, and more. Guests will enjoy getting supercrafty at the all-night-long Beadapalooza, the sparkliest party around. The relaxing Bliss-Out Spa Party encourages attendees to chill, with beauty treatments and tasty refreshments fit for a film star. And the creepy Night on Haunted Hill will scare the squeals out of every girl in sight. The ultimate guide to partying in one's PJs, Crafty Girl: Slumber Parties lets any hostess transform an ordinary sleepover into a spectacular slumberama.

Customer Reviews

This book had some interesting ideas for some parties, but none of them were that expanded upon. And many of the parties required a lot of planning and rely on decorating. One party suggested purchasing dry ice to use for special effects. Like any one can do that. All of the games suggested were just minor twists on old favorites. If you just want some simple jump start ideas, read this book.

If you are looking for a party planner in a book, look somewhere else.

Crafty Girl- Slumber Parties was a great book. It came with fourteen different themes, recipes, invitations, and games. The book had some really unique ideas, such as Fashion Fantasia and Arabian Night. It also gives movie and music recommendations for each theme. I thought they could have had more game ideas. It was mainly just twists on other games. My favorite themes are Slumber party in the Beauty Salon and Sweet Dreams. Jennifer really did a good job on the book. This is definitely a enjoyable book if you want a twist on the same boring sleepover. Read up and enjoy!

When I first got this book I read it over and over and over and never actually had a slumber party with one of the themes. In January I'm having a "Slumber Party in the Beauty Salon" Trust me, this book is a must-have for any slumber party hostess.

I loved so many ideas in this book! I especially like the Candy Themed one and the Kitchen Olympics. This is a wonderful book to give any girl who loves slumber parties! I love it, love it, love it!!!!!!!
