## Customer Reviews

Review from my son, who never reads. Since he actually read it, the five stars stands. Anything that gets him reading, rocks:I liked this book very much, especially the chest they found. I just wish

Minecraft actually had the Enderzilla creature, that would be totally boss.

I really liked it just the excitement and suspense of the adventure and the way they adapt to the environment was just great I think you guys should make another book about your first experience at playing minecraft so overall I give this book 5 stars and it was really great. By the way I subscribed to your channels their awesome and I love you guys no offense but I like ssundee a little more.

THIS IS AN AWESOME BOOK !!!!!!!!!;0) I LOVE IT SO MUCH !!! BEST BOOK EVER!!! I LOVED IT SO MUCH!!!!!!! THE BEST BOOK I EVER READ!!!!!!IT IS SO GOOD I CANT EXPLAIN IT IN WORDS. This is the best I can explain it.

This is a really good book I recommend this for great minecraft fans, or if you just like minecraft. If I could rate six stars I would. The only thing is, is that they didn't give Skydoesminecraft or SSundee the characteristics they have in real life. But still, this is a good book.

Written by my son ;)I love how this book, and the series, adds Skydoesminecraft and SSundee.ALSO CHECK OUT BOTH OF THEIR CHANNELS ON YOUTUBE BECAUSE THEY ARE AMAZING PEOPLE.Ok other wise, The book is amazing, and yeahâ |â |BBYYEEEEEE!!!!!!!!!!!!

omg the book was really good and I started on 5/26/14 and ended the same day it was a really good book because I like how they added YouTubers that play mine craft and how they were famous like sky (skydoesminecraft)

I liked it because sky and SSunde was there and they saw ender zilla so they had been chased by the mob a lot so they had to get a shelter so it was a cave so they found a ender chest and they found a lot of lute and they found a enchanted book and it was a book of spells and they tried a few out and they had a duel with the mob so damage the mob a lot and they got on the boat they had and got on it SSunde and sky took the enchanted book with them but sky drops it and crys

I love this book I can't wait.to buy the next one. one thing that would of made it better if it said bidder not gold all of. sky's friends say budder if you are a big McDonald's fan then get this book.
