Customer Reviews

In this day and age when Americana songs are not sung, when patriotic songs and their words are mumbled or forgotten, this songbook brings it all back. Great to use in newsletters--print a couple of verses to remind us how great America is!

Haven't used it yet. But I had to scrounge a lot of books when asked to play patriotic music for the 4th of July. Next time I can use just one book - this one!

Great song book! Includes the history of our patriotic songs. I purchased these to share with the American Heritage Girls. They were delighted.

great book
