A Princess Of Mars, With EBook (Barsoom)

Synopsis

Two years before Edgar Rice Burroughs became a worldwide celebrity with the publication of Tarzan of the Apes, he published A Princess of Mars. A futuristic sci-fi fantasy romance, A Princess of Mars tells the story of John Carter, a Civil War veteran who inexplicably finds himself held prisoner on the planet Mars by the Green Men of Thark. Together with Dejah Thoris, the princess of another clan on Mars, the unlikely pair must fight for their freedom and save the entire planet from destruction as the life-sustaining Atmosphere Factory slowly grinds to a halt.

Book Information

Series: Barsoom (Book 1)

Audio CD

Publisher: Tantor Audio; Unabridged CD edition (October 27, 2008)

Customer Reviews

This novel was a complete surprise for me. First, I saw a movie on TV called John Carter. I thought it was great. Next, I noticed it was based on a novel by Edgar Rice Burroughs- of Tarzan fame? No way, I thought. So, when my family bought me a tablet for Christmas, I decided to look for it. At the ridiculous price of \$0.00, I bought it. I am now on the third of his series of books. What is so interesting for me is that this series talks to the future in the same manner of Jules Verne or H.G. Wells. He published this first book in 1917 I believe. Flight was a very young idea back then. He deals with it in a very delightful and adventurous manner, along with other ideas that I am sure stretched the imagination. And that is the point. I was used to the idea of seeing Johnny Weissmuller swinging through the jungle belting out his Tarzan yell and summoning all his animal friends in the jungle to confront "man" and save the day. Here was a man transported to the planet Mars to interact with many types of beings and many forms of their beliefs. In a wonderful salute to

parody, Burroughs alludes to human civilization and its beliefs and faith in those beliefs in a delicate manner. On Mars for instance, one creature's Heaven may be another creature's dinner! Read it and see. I want to add one entirely different remark. At an older age now, it is difficult for me to focus for long periods of time on print. These tablets are something to consider. You can adjust the print size or font and the background you read it on. The Kindle Store is remarkable. When you download a book of choice it is delivered to you by "Whispernet", which fantastically comes to you in less than a minute!!!! Most of these books are at reduced prices.
