This book is exactly what I was looking for as far as painting my own papers for my artwork. The author gives detailed instructions for creating many different types of painted papers. My collage technique is very different than hers but I still found this book to be very useful. She is a wonderful artist and a great teacher as well. This book will be dog eared in no time flat!

I'm an artist & this book is almost exactly what I would write about paper & paint techniques for

collage. It is very thorough & covers a lot of the fun techniques that yield interesting results. Very inspiring & well worth the investment for newcomers & seasoned professionals alike.

Great book for mixed medium work. Lots of great pictures and easy to read instructions. Glad I bought it.

Best book yet!!! Love it!!!!

Received this book today and just glanced through it but I must say, I KNOW I'm going to love it!! Looks like lots of fun times ahead!
