# Acrylic Painting With Passion: Explorations For Creating Art That Nourishes The Soul

## Synopsis

Get your creative spirit up and running! *Acrylic Painting With Passion* easily answers the question: What should I paint now? Tesia Blackburn comes to the rescue by introducing exercises and techniques that make the painting process fun and every bit as cherished as the finished works of art. Finding time to create art can be a challenge, and Tesia helps with this, too, by suggesting ways to help you find manageable chunks of time to feed your painting passion. Experiment with over 20 exercises for using acrylic paint and mediums including collage, color mixing, simple offset printing, creating layers of texture and a lot more. Learn how to add play to your studio time through sections such as Leaving Perfection Behind, Speed Painting, Embracing Basic Forms and Letting the Brain Play. Load up on additional inspiration with additional versions of many techniques throughout the book's 10 Explorations. Allow yourself the time to play. Let *Acrylic Painting With Passion* provide you with the basic tools and inspiration you need to break out of your creative rut and embrace the acrylic painting process. Your work will grow and your spirit will thrive.

Nonfiction

## Customer Reviews

This book was totally different from what I expected based on the title. I would have named this

book "Mixed-media madness" which is the title of one of the chapters in the book. This book covers a lot more than Acrylic painting. This not a book that teaches draw you landscapes or flowers or people, this book concentrates on drawing abstract images, shapes, colors, lines, and combing them with other mediums for interesting effects. Since art is subjective rather than describing it I am attaching a video with a couple of pages in the book so you can see a few projects that I thought were representative. This book is aimed at anyone with an interest and curiosity about art. As long as you have a passion for creating and love of colors and shapes you can express on canvas. The author's style of writing is clear and friendly. The book has a spiral back so when you open it on a project it lays flat and makes it easy to reference the lesson. My favorite chapter is "What if". This chapter is about experimentation by combining techniques and mediums. A lot of what makes art fun for me is experimenting, pushing the boundaries, creating something new. This book is likely to give you some new ideas.
