The Random House Book Of Stories From The Ballet

Synopsis

"In this attractive book, ten of the world's best-known ballets, including The Sleeping Beauty, The Nutcracker, Romeo and Juliet, and Cinderella, are introduced to young readers. The essence of a ballet production is successfully captured by the full-color illustrations, which exuberantly portray each story's setting, and the writing style, which maintains the original flavor of both the tales and ballets. Children who love to attend ballets, take ballet lessons, or like to read fairy tales will delight in this treasury."--Booklist There is no more elegant or comprehensive introduction to the ballet than this enchanting book.

Book Information

Age Range: 9 and up

Customer Reviews

This was a very, very good book! I am in ballet and I wanted to learn more about the sport that I love! It told about all of the ballets I had seen and heard about. There were even a few that I had never heard of before. It is a terrific book for all dancers or just lovers of the ballet!

If you're a dancer or regular ballet-goer, you're probably familiar with all the stories covered by this book; but if you don't know much about ballet, or have a child beginning ballet, this is a beautiful book to start with. It covers the most famous ballet stories, like The Nutcracker and Swan Lake, as well as many popular but not generally known ballets like Giselle. The illustrations are beautiful, so even if you're familiar with all the stories, if you're a ballet fan you may still want to add this to your collection. BTW, as soon as I can I'll add a list of all the stories told in this collection.

Pictures are quite nice, but not many. Would've liked a few more, but the stories seemed pretty good.

My daughter loves this book. She is 8 and read it cover-to-cover when it got here.
