Customer Reviews

Great song arrangements - very true to the original songs. This means that some are very difficult - I would say most are in the Intermediate levels range. My daughters have always loved their parents' 80's music and now they can play them on the piano (all have taken lessons for at least 6 years.

I bought this so I could learn some old songs on the piano. Out of the 50 songs, I knew about 20, but I'm just 13. My dad knew all of them. The arrangements were pretty good, some of them seemed a little off, but all around fun and easy to play.

Great compilation of songs, but most are too complicated for a beginner.

Great compilation of 80s tunes. I like the arrangements fine.

thanks
