Synopsis

"Kate and Bob, Don't Lose Hope" Sometimes things we have to do can be difficult, and we can feel discouraged, but it's important that we NEVER GIVE UP! Kate the bird and Bob the turtle are best friends. One day, Bob the turtle gets stuck in a wet, muddy hole, Kate and Bob begin to feel discouraged. They try and they try to set Bob free, but even with some help from Kate's strong brothers, Toddy and Jack, nothing seems to work. But, just when the friends are about to give up, Kate once again remembers what her mother said: "Never give up!" It only takes this change of heart--and a very special new friend--to work a little miracle for Bob and give everyone a better appreciation for teamwork, determination, and true friendship! Children will enjoy the drama and rhyming of this bedtime story, while parents will appreciate the values it teaches; to persevere no matter what, to help your friends, and not to be afraid to lend a hand to others. A fun and funny book that will provide countless hours of quality family entertainment, Kate and Bob Don't Lose Hope! is one tale you just won't want to miss!

My 2 year old Grandson and I love this book about never giving up when a situation seems

hopeless and nothing you try is working. Bob is stuck in a hole and Kate tries everything to get him out but keeps failing. Even when she has her brothers help they fail. But they remember what their mother always say about never giving up and you must keep trying. A passer by stops to help them and they fail at first but keep trying. It is a lesson in determination and never giving up hope. It also shows the strong bond of friendship the characters have. The illustrations a very nice and give toddlers something to focus on while you are reading the story. It is just a nice length for a 2-3 year old . Not too long that they loose interest. Cute rhyming story that we have personally read many many times.

This children's book is terrific! The writing is excellent and also is interestingly rhyming. The illustrations are well done and reflect the emotions of the characters. Kate and Bob are the cute turtles who are best friends. Bob gets stuck down in a muddy hole and can't crawl out. Even with help, they can't seem to get him out. This story depicts discouragement, helplessness, but also hope and dedication to a task which prompts Bob's friends to accomplish their mission. This author's stories for children always depict good values. Please note on the last page, Kate and Bob wear helmets while riding their bikes. Awesome author. Collect all her stories.

Very cute and well illustrated book. The author teaches a valuable lesson on teamwork and what having good friends is like in this delightful story that I think young ones will love to both read on their own and also have read to them. Great job on rhyming fun.

This is a very sweet book. My two year old son and eight year old loved it. My two year old daughter look at the cute pictures for two hours after we finished reading it. I would recommend it to anyone who has kids and likes to read.

Lovely story about friendship. Show you that even if you are small and don't have enough strength, if you want to achieve something in life, there is always a solution of all kind of problems, if you only do what Kate mom's always said "Never give up".
