Franklin Says I Love You (Classic Franklin Stories)

Synopsis

In this Franklin Classic Storybook, our hero is a very lucky turtle. He has the best friends, the best little sister, the best goldfish, and, of course, the best mother. But when he discovers that his mother's birthday is coming up, he can't find the best present. After giving it some serious thought, Franklin decides to do everything for his mom. On the morning of her birthday he takes her breakfast in bed, makes a brooch, draws a picture, and cuts fresh flowers from the garden! And then Franklin gives his mom a great big hug and says, "I love you" which is, of course, the best gift of all.

Customer Reviews

Nice story! Very sweet story. Read it to Bobby and he seemed to enjoy it. Will read more Franklin books in the future.

As always, this Franklin book delivers a beautiful message and a tender moral. I love the way Franklin's parents use such great wisdom to guide little Franklin. We can all learn from these books!

Cute story with a great lesson. Franklin wants to buy something for his moms birthday but everything is too expensive or not right. And his mom couldn't care less, she is most touched but Franklin telling her he loves her.

This is a great book and fun to read for whole family! Me and my family really enjoy reading it!

I'm not sure why this book gets so much popularity? It's dull and monotonous. I didn't like it and my 2.5yo was even more bored than me!

A lovely warm book. My grand kids loved the story and there is a great lesson in the story about the importance of expressing love.

Great book.
