A Scot In The Dark: Scandal & Scoundrel, Book II

Synopsis

Lonesome Lily Turned Scandalous Siren Miss Lillian Harwood has lived much of her life alone in a gilded cage, longing for love and companionship. When an artist offers her pretty promises and begs her to pose for a scandalous portrait, Lily doesn't hesitate...until the lying libertine leaves her in disgrace. With the painting now public, Lily has no choice but to turn to the one man who might save her from ruin.

Highland Devil Turned Halfhearted Duke The duke of Warnick loathes all things English, none more so than the aristocracy. It does not matter that the imposing Scotsman has inherited one of the most venerable dukedoms in Britain - he wants nothing to do with it, especially when he discovers that the unwanted title comes with a troublesome ward, one who is far too old and far too beautiful to be his problem.

Tartan Comes to Town Warnick arrives in London with a single goal: get the chit married and see her become someone else's problem, then return to a normal, quiet life in Scotland. It's the perfect plan until Lily declares she'll marry only for love...and the Scot finds that there is one thing in England he likes far too much.

A deeply passionate, sensual and a scorcher of a read! A Scot in the Dark by Sarah MacLean will knock you off your feet with every page turn. We are first met by Lillian Hargrove who is completely and utterly humiliated and ruined in the eyes of the ton, thanks to a very sneaky and conniving artist. Lillian had sat for a nude that she thought was for the eyes of the artist, and the love of her life, only. However, he betrayed her trust and is now threatening to show the painting to all of London in a matter of a few days. Having been informed by his solicitor, Alec, The Duke of Warnick made a mad

dash from Scotland to England. Arriving at one of his many residences, he finally finds Lady Hargrove. She's shocked to see a large Scottish man at her doorstep, quite literally knocking down her door, and even more surprised to learn that he is her guardian. He's there to help her in regards her scandalous situation. At first he's set on her marrying the artist. However, after meeting up with the arrogant artist in a local pub and learning more about the situation and seeing how arrogant and careless this man is. He changes his mind and wants nothing but to protect Lillian. He comes to a solution, that in order to save Lillian's reputation, she should marry a titled man and put the scandal to rest. However, Lillian wants nothing to do with marriage, she wants to run away and escape the scandal and start her life anew. An inheritance is due on her next birthday and that is exactly what she intends to do. However, Alec still insists she get married and tries his best to pair her with a decent English Lord.
