# The Knowledge Of The Holy

## Synopsis

The Knowledge of the Holy by popular evangelical author and Christian mystic A.W. Tozer illuminates God's attributes "from wisdom, to grace, to mercy" and in doing so, attempts to restore the majesty and wonder of God in the hearts and minds of all Christians. A modern classic of Christian testimony and devotion, The Knowledge of the Holy shows us how we can rejuvenate our prayer life, meditate more reverently, understand God more deeply, and experience God's presence in our daily lives. --This text refers to an out of print or unavailable edition of this title.

## Customer Reviews

This book, first published in 1961, two years before the author's death, is, in my opinion, the most compact, and power packed vision of God ever to be put to paper in the last 50 years. In the edition I own, Tozer wrote a foreword in which he makes the statement that he wrote the book on his knees in prayer -- He needn't have told us this; the aware reader will sense the fact as soon as he or she reads the first four pages! Although this is a fairly small (and short) book, it is not one that can be read quickly. Each chapter, though less than 10 pages long apiece, must be savored, read slowly and meditated upon. (I should know. I received this book as a Christmas present in 1992 and did not finish it until October 1993.) There are several reasons for this. One is that the book, though written in fairly contemporary English, is written in a highly academic style which most modern readers find difficult to read easily. Modern American readers should be careful on this point. The primary reason for the book's difficulty however, is the sheer Presence of God which the reader

encounters on every page. Beware -- to open the covers of this book and search its pages is to tread upon holy ground. It is to walk in the cloud at Sinai with Moses; it is to be standing at Horeb in the mouth of the cave with Elijah as the Lord passes by in a gentle breeze; it is to be with Peter on the Mount of Transfiguration, and it is to feel the earth shake beneath your feet with the guards at the Garden Tomb as the stone is rolled away. Each chapter begins with a prayer for a divinely imparted understanding of that which cannot be conceived by the human mind.
