Churchill: A Biography

Synopsis

In Churchill, Roy Jenkins provides a comprehensive portrait of Winston Churchill from his childhood to the critical World War II period and beyond in a single, definitive volume. Roy Jenkins combines unparalleled command of British political history and his own high level government experience in a narrative account of Churchill's astounding career that is unmatched in its shrewd insights, its unforgettable anecdotes, the clarity of its overarching themes, and the author's nuanced appreciation of his extraordinary subject. Exceptional in its breadth of knowledge and distinguished in its stylish wit and penetrating intelligence, Churchill is one of the finest political biographies of our time.

Average Customer Review: 3.6 out of 5 stars [See all reviews](#) (121 customer reviews)

Best Sellers Rank: #69,757 in Books (See Top 100 in Books) #6 in [Books > Biographies & Memoirs > Leaders & Notable People > Presidents & Heads of State > U.K. Prime Ministers](#) #122 in [Books > Textbooks > Humanities > History > Europe](#) #168 in [Books > Biographies & Memoirs > Historical > Europe > Great Britain](#)

Customer Reviews

Prior to the appearance of this biography, by Whitbread Award winning author Roy Jenkins, the only single volume work that I would have recommended to people would have been Sir Martin Gilbert's one volume biography. Gilbert has spent the better part of his life creating the definitive biography originally started by Churchill's son Randolph, and he continues to add 1,000 page companion volumes of documents that supplement the massive primary work. If a reader were to select this work by Jenkins they would not gain a complete insight into the legendary figure that Sir Winston Spencer Churchill is. That a new biography approaching 1,000 pages made the NYT Bestseller's List is a testimony to Churchill's place in history. I doubt there is a politician that is more quoted than Sir Winston. The primary differences between the two books I mention are of style and

completeness. Martin Gilbert is an accomplished historian, while Mr. Jenkins writes from a perspective of a man who sat in the House of Commons, witnessed Churchill in action, and documents his life primarily as a politician. There are formative episodes that are not included at all, which in the end prevents this very fine work from being a well-rounded documentary. A young Churchill spent time in Ireland, but this was never mentioned. The downfall of his father was much more complicated than the space allotted in this work, and his mother too is not represented enough. The book also lacks extended time with the Churchill who was an amazing raconteur at dining tables from a very young age. Many of the great quotes from Churchill are not in this book, and many others are given short shrift. Mr. Jenkins' style also takes a bit more effort than many may choose to expend. William F. Buckley Jr.
